Hi Chris-

Right now I have district cases already scheduled in Springfield and Holyoke that day, as well as a Superior Court case in Springfield where the ADA thinks she will get to me in the afternoon. As for the Holyoke case, the summons I received said it was for a motion to suppress, but I'll double check with the ADA as sometimes whoever sends the summons forgets to change that. And even if the Holyoke case goes, they normally get to us fairly early in the morning, so I could probably be there by mid-day or so. Plus, as I mentioned, I have a Superior Court case in Springfield so that pretty much ensures that I will be in Springfield in the afternoon. With all that said, I believe that I will be available to testify for you on the 13th.
